

Article 9 legislation

International Committee of the Red Cross

Who must implement
Article 9 ?

" Each State Party shall take all appropriate legal, administrative and other measures, including the imposition of penal sanctions, to prevent and suppress any activity prohibited to a State Party under this Convention undertaken by persons or on territory under its jurisdiction or control. "

Minimum requirement of
Article 9 :

" Each State Party shall take all appropriate legal, administrative and other measures, including the imposition of penal sanctions, to prevent and suppress any activity prohibited to a State Party under this Convention undertaken by persons or on territory under its jurisdiction or control. "

ICRC

Minimum requirement of
Article 9 :

Many States are now reconsidering their current legislation and realising that law that existed prior to their ratification of the Convention is not sufficient to fulfil their obligations under the Convention

ICRC

National legislation must:

- ▶ **Define as crimes and provide penal sanctions** for all activities prohibited by Article 1(a), (b) and (c) (use, develop, produce, otherwise acquire, stockpile, retain or transfer – see also assist, encourage, induce)
 - ▶ i.e. hold all individuals (military and civilian) accountable for violations of the Convention
 - ▶ Body corporates?
 - ▶ Not only in times of armed conflict
- ▶ **Ensure jurisdiction** over offences

ICRC

National legislation must:

- ▶ Apply **definitions** consistent with those of Article 2
- ▶ Recognize the **exceptions** permitted under Article 3, as required

ICRC

Article 9 Measures:

- ▶ **Who?** – Each State Party must
- ▶ **What?** Take all appropriate measures
 - » Legal, administrative and other measures
 - » Including penal sanctions
- ▶ **Why?** to prevent and suppress any activity prohibited by the Convention
- ▶ **Where?** Undertaken by persons or on territory under its jurisdiction or control

ICRC

ICRC Proposed checklist

- ▶ In order to guide States in the preparation of their Annual Article 7 reports:
 - » The ICRC has distributed a checklist
 - » No need to complete this checklist and return it
 - » Please review the answers in Form A regarding national measures (especially legislation)
- ▶ ICRC encourages States to ensure that Article 9 measures are included in Form A, *not just mine action* steps.

ICRC

**This checklist includes two parts:
Firstly, legislative measures required by
Article 9**

	Does your legislation prohibit and provide punishment for these violations? (Art. 9)*	Is there a prohibition for <i>assisting, encouraging and inducing</i> these violations? (Art. 1 c and Art. 9)*
Use (Art. 1 a)		
Acquisition (Art. 1 b)		
Stockpiling (Art. 1 b)		
Retention (Art. 1 b)		
Transfer , including the physical movement of AP mines into or from national territory, and the transfer of title to and control over the mines (Art. 1 b, and Art. 2(4))		
Development (Art. 1 b)		
Production (Art. 1 b)		

ICRC

▶ **Secondly it includes other appropriate legal, administrative and other measures**

- ▶ a) How would a fact finding mission (Art. 8) be facilitated: under what law, regulation, or other measure?
- ▶ b) Is there legislation, regulation or other measure to assist the Ministry or Department responsible for annual Article 7 reports, for example by requiring all persons, including other government officials, to provide the necessary information?

ICRC

Other appropriate national implementation measures (cont'd):

- ▶ For States Parties with stockpiles:
 - ▶ measures to facilitate stockpile destruction (Article 4)

- ▶ For mine-affected States Parties:
 - ▶ measures to facilitate implementation of Article 5 (i.e. mine clearance and other mine action)

When implementing the Convention, each State may choose from:

1. Special legislation;
2. Amendment to existing legislation; or
3. Combination of 1 and 2
